Playfield Institute, Cupar, Fife.**

## **Solution Focused Interactions: An Expanding Universe.**

---

The 2<sup>nd</sup> National **Scottish Solution Focused Network** Conference, hosted at the Playfield Institute, NHS Fife, will showcase the work of Solution Focused Practitioners from around the country. Focusing on the theme of the growing scope of SF practice, "*An Expanding Universe*", the Conference will allow practitioners to share their experience of working in diverse situations using Solution Focused interactions.

Confirmed speakers include keynote speaker **Dr Margaret Hannah** (Director of Public Health, NHS Fife), **Dorothy Adam** (lately of RGU, Aberdeen), **Alyssa Bell** (SF post-graduate researcher), **Shona Horsman** (SF Coach), and **Kate Smith** (Primary Care Mental Health Worker, Aberdeenshire).

**Keynote Speaker:** Dr Margaret Hannah, Director of Public Health in NHS Fife, Visiting Professor at Robert Gordon University, author and a key proponent of Fifth Wave Thinking in health and social care. SSFN secretary, **Steve Smith**, has described Margaret's 2015 seminar on 'Humanising Healthcare' as "*one of the most important events I have attended in the last decade*". Don't miss the chance to hear Margaret speak at the SSFN Conference.
